

Ron Price

Engineering Loss Adjuster

Ron worked as a computer programmer and systems administrator prior to joining Miller Knight Chartered Adjusters in 1992 as head of their Computer Unit dealing with computer claims.

In 1995 Ron established APW Loss Adjusters to deal with specialist computer and engineering losses. In 2001 Ron joined Davies Construction & Engineering Adjusters working as an Engineering Loss Adjuster and became a Director in 2002 based at their Manchester office. As well as dealing with computer, mechanical plant, engineering and CAR claims, he was also part of the Davies large loss team.

In 2015 Ron started working with Integra Technical Services (UK) Ltd.
