No Advice

Nothing contained in this site constitutes legal, tax, investment or any other advice, nor it is to be relied upon when making legal, tax, investment or any other decision.

Accuracy of Information

The information contained on this site (including any expression of opinions or forecast) has been obtained from, or is based on, sources believed by Integra Technical Services and its affiliated companies to be reliable but is not guaranteed as to its accuracy. Such information is provided without obligation on the part of Integra Technical Services and its affiliated companies and on the understanding that any person who acts upon it does so entirely at his own risk. Information posted on this site is currently only as at the date it is first posted and may no longer be true or complete when viewed by you. All information contained on this site may be changed or amended without prior notice although neither Integra Technical Services nor any of its affiliated companies undertakes to update this site regularly.

No Liability

The information on this site has been prepared, approved and issued by Integra Technical Services. The information and opinions contained in this site have been compiled, or arrived at, in good faith and based on publicly available information, internally developed data and sources believed to be reliable as at the date of publication. However, no representation, warranty or undertaking, express or implied, is made by Integra Technical Services, its affiliated companies or any other person as to the reliability, accuracy or completeness of the information contained on this site and no liability is accepted by such persons for the reliability, accuracy or completeness of such information. In no event will Integra Technical Services or any of its affiliated companies or any of their directors or other employees be liable to any person for any direct, indirect, special or consequential losses or damages of any kind arising out of any use of this site or any other hyperlinked site or in reliance on the information and opinions contained in it from time to time, including without limitation, any loss of profit, business interruption, loss of programs or data on your equipment or otherwise. You should be aware that the internet is not a completely reliable transmission medium. Neither Integra Technical Services nor any of its affiliated companies accepts any liability for any data transmission errors such as data loss or damage or alteration of any kind, including, but not limited to any direct, indirect or consequential damage, arising out of the use of the services referred to herein. In addition, neither Integra Technical Services nor any of its affiliated companies accept any responsibility for the security or confidentiality of information transmitted across the internet to or from Integra Technical Services or any of its affiliated companies and any such transmission of information is entirely at your own risk. This does not exclude or restrict any duty or liability that Integra Technical Services has to its customers under the regulatory system in the United Kingdom.

Linked Websites

This site may be linked to third party websites or contain information provided by third parties. Neither Integra Technical Services nor any of its affiliated companies makes any representation as to the accuracy or completeness of such websites or information, have not and will not review or update such websites or information, and caution browsers that any use made of such websites or information is at their own risk. Neither Integra Technical Services nor any of its affiliated companies accepts any liability arising out of the information contained on any linked website or information on this site provided by a third party and the use of such sites and information is at your own risk. This does not exclude or restrict any duty or liability that Integra Technical Services has to its customers under the regulatory system in the United Kingdom.

Copyright, Trademarks and Other Rights

Copyright, trademarks, database rights, patents and all similar rights in this site and the information contained in it are owned by Integra Technical Services, its affiliated companies, their licensors or relevant third party content providers. You may use the information on this site and reproduce it in hard copy for your personal reference only. Such information may not otherwise be reproduced, distributed, stored in a data retrieval system or transmitted, in any form or by any means – electronic, mechanical, photocopying, recording or otherwise – without the prior written permission of Integra Technical Services. Governing Law

You agree that your use of the site and any dispute arising in relation to this site is subject to England and Wales law and you submit to the jurisdiction of the English courts in connection with any such dispute.

Bribery and Anti-Corruption

Integra Technical Services is committed to acting fairly, ethically and with integrity. It is the policy of Integra Technical Services and its affiliated companies not to engage in or tolerate bribery in any form within its business or within organizations that it does business with. This is not just a cultural commitment on the part of the firm; it is a legal requirement. This policy has been adopted by Integra Technical Services Executive Management Team. Integra Technical Services Executive Management Team applies a ‘zero tolerance’ approach to acts of bribery and corruption. All employees are required to comply with Integra Technical Services Anti-Bribery Policy and to act in accordance with its provision when carrying out work on Integra Technical Services’ behalf.

Website Data Privacy Statement

You have the right to contact us to remove consent, to correct, or to erase your personal data at any time, where relevant. Any questions regarding Integra Technical Services Data Privacy Policy and/or if you wish to request a copy of your personal information, a request should be sent via email to:

Integra Technical Services identifies itself as a Data Controller under Data Protection law. You may lodge a complaint with the ICO in the event of Integra Technical Services’ non-compliance with applicable Data Protection law, or the relevant competent authority in your legal jurisdiction. Integra Technical Services adheres strictly to our legal duty to protect any personal information we collect from you. Integra Technical Services does not capture and store any personal information about individuals who access this web site, except where you voluntarily choose to give us your personal details via email, or by using an electronic form, or enquiring about any of our services. In these circumstances, the personal information that you give us will only be used to provide the information or service you have requested.

Integra Technical Services is a cloud-enabled business, meaning that during the normal course of interacting with Integra Technical Services, your personal data may be stored outside of the EU. We only use Cloud services that have met the necessary standards such as ISO 27001 and the EU-U.S. and Swiss-U.S. Privacy Shield Frameworks to protect and store your data.

Personal information is not disclosed to third parties unless this is indicated on the web page and/or relevant form at the point of collecting information from you, or as required by law.

Statistical data

We automatically collect statistical data about usage patterns on our website. This information is not used to identify any individual. It is only collected to provide us with an understanding of the areas of interest on our site and kept only for as long as required for this purpose.

Cookies

The use of cookies by Integra Technical Services complies with the EU Privacy Directive, adopted by the UK in its updated Privacy and Electronic Communications Regulation that came into force on 26th May 2012. The so-

called “Cookie Law” requires websites to obtain consent from visitors to store or retrieve any information on a computer or any other web connected device.

Cookies are small, usually randomly encoded, text files that help your browser navigate through this website. The cookie file is generated by the site you're browsing and is accepted and processed by your computer's browser software. Cookies in themselves do not identify the individual user, just the computer used. This is done to make your experience of the Integra Technical Services website smoother by remembering any preferences or settings from the previous visit. Integra Technical Services also tracks the volume of traffic on its website by using cookies.

Integra Technical Services will continue to check and monitor our data protection obligations to ensure they are up to date. Integra Technical Services will develop and evolve their website; therefore this Policy will adapt to those changes. Please check this page occasionally to ensure that you are aware of any changes.
